

Full Straw Poll Results

Posted by Andrew Moylan - June 19, 2007

On Sunday, I live-blogged the results of our Presidential Straw Poll with the promise that full results would follow. Well, here they are...

Just a note, we excluded a few write-in votes for non-living individuals like Jack Bauer and Josef Stalin. That was as close to a voting irregularity as we had.

We gave all attendees of our National Taxpayers Conference the ability to cast one vote in support of any of the top Republican or Democratic Presidential Candidates (official candidates, or those with exploratory committees, who are included in national polls). Their options were:

Duncan Hunter (R-CA), Ron Paul (R-TX), Fred Thompson (R-TN), Rudy Giuliani (R-NY), Jim Gilmore (R-VA), Sam Brownback (R-KS), John McCain (R-AZ), Tom Tancredo (R-CO), Mike Huckabee (R-AR), Tommy Thompson (R-WI), Mitt Romney (R-MA), Barack Obama (D-IL), Hillary Clinton (D-NY), Bill Richardson (D-NM), Joe Biden (D-DE), Chris Dodd (D-CT), John Edwards (D-NC), Dennis Kucinich (D-OH), Mike Gravel (D-AK), and the ever-present None of the Above.

They came out in this order...

1. Fred Thompson (R-TN) - 25.7%
2. Ron Paul (R-TX) - 16.7%
3. Rudy Giuliani (R-NY) - 12.5%
